great protection
for your roof

We protect what matters most™

It's security, measured in decades

When you install a qualifying GAF shingle, the basic *GAF Shingle & Accessory Limited Warranty* provides a Lifetime limited* warranty term for the shingles. And when you install a qualifying GAF shingle with at least 3 qualifying accessory products, you are automatically covered by the *GAF Roofing System Limited* Warranty*, which also provides Lifetime* coverage for your qualifying accessory products! "Lifetime" means as long as the original owner(s) [or the second owner(s) in certain circumstances] owns the single-family detached residence where the shingles and qualifying accessories are installed.

The Lifetime* warranty term also comes with 10 years of 100% coverage, during which GAF will provide any replacement GAF products necessary to repair your roof due to a manufacturing defect. GAF will also pay the reasonable cost to install them.* This warranty is also transferable, once, to the next homeowner, for free.

With the basic *GAF Roofing System Limited* Warranty*, after ten years, replacement materials and installation labor are pro-rated.

Protect your home with our **System Plus Limited Warranty!**

The **System Plus Limited Warranty**

Increases the 100% coverage period against manufacturing defects from 10 years to 50 years. It also covers tear-off costs.

Warranty	Features	100% Coverage
GAF Roofing System Limited Warranty	Replacement Materials + Installation Labor	10 years 100% Coverage
 System Plus Limited Warranty	Replacement Materials + Installation labor + Cost to tear off (If necessary)	50 years 100% Coverage

*See GAF Shingle & Accessory Limited Warranty and GAF Roofing System Limited Warranty for complete coverage and restrictions. See gaf.com/LRS for a list of qualifying shingles and accessory products.

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal (applicable in U.S. only).

* Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires use of GAF Lifetime shingles only. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Lifetime coverage on shingles and accessories requires use of any GAF Lifetime Shingle and any 3 qualifying GAF accessories. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products.

To be eligible for the System Plus Limited Warranty, you **MUST** fulfill these requirements:

1. Your roof must be installed by an eligible GAF factory-certified contractor.*
2. If a new nail base insulated deck system is being installed, you must install GAF ThermaCal® Ventilated Nail Base Roof Insulation (covered by the *ThermaCal® Nail Base Roof Insulation Panels Limited Warranty*).
3. You must install qualifying GAF Shingles *and one item from at least three* of the following accessory product categories (visit gaf.com/LRS for eligible products):
 - (a) **GAF Roof Deck Protection**
 - (b) **GAF Leak Barrier** – Must be installed in valleys and around all penetrations. In areas prone to ice damming, an eligible Leak Barrier product is **strongly recommended** at all eaves to at least 24" (60.96 cm) inside of the warm wall.
 - (c) **GAF Starter Strip Shingles (only those with factory-applied adhesive)** – Must be installed at the eaves. **Note:** Your GAF LayerLock-labeled Shingles will be covered up to the maximum wind speed **ONLY** if installed using **4 nails** per shingle **and** you have GAF Starter Strip Products installed at the eaves **and** rakes. All other GAF Shingles require use of **6 nails** per shingle **and** GAF Starter Strip Products installed at the eaves **and** rakes.
 - (d) **GAF Attic Ventilation Product** – Installed in a properly balanced attic ventilation system consisting of both intake and exhaust ventilation. **Note:** Although Master Flow® Attic Exhaust Vents count as an eligible accessory product in the GAF Attic Ventilation Category, they are covered by either the *Master Flow® Powered Ventilation Products Limited Warranty* or *Master Flow® Ventilation Products Limited Warranty*, depending on the product.
 - (e) **GAF Ridge Cap Shingles** – **Note:** If cut-up GAF Strip Shingles are used instead of one of the eligible ridge cap shingles (visit gaf.com/LRS for eligible products), the warranty term and 100% coverage period for the cut-up strip shingles is the same as it would be if that shingle were used in the field of the roof. (For example, if Royal Sovereign® Shingles are cut up and used as your ridge cap, then the warranty term for those cut-up Royal Sovereign® Shingles is 25 years.) In addition, on roofs where Royal Sovereign® or Marquis WeatherMax® Shingles are installed, you may use cut-up Royal Sovereign® or Marquis WeatherMax® Shingles as the ridge cap, and they will qualify as one of the required accessories.
4. **Registration Options** – In addition to the requirements listed above, **your Contractor must register and pay for your warranty within 45 days after installation. The warranty can be registered online at the GAF Contractor Zone (visit ccz.gaf.com).** If your Contractor has not registered your warranty within **45 days** after installation, GAF reserves the right not to issue your **System Plus Limited Warranty**.

Note: Warranty coverage available only for GAF Products. There is no coverage for non-GAF materials used in the construction of your roofing system
